

CAPABILITIES STATEMENT

TBA

103 Cypress Street | West Monroe, LA | 318.340.1550 | tbastudio.com

CONTACT: Donna Cathey | dcathey@tbastudio.com

CORE COMPETENCIES

TBA provides full-service architectural support for public and private sector clients across the South. Our team delivers thoughtful, functional design with responsive project management and trusted A/E partnerships.

- Site analysis, conceptual planning, and programming
- Architectural design and interior/FF&E coordination
- Construction documents and administration
- Seamless A/E delivery through engineering partnerships

DIFFERENTIATORS

TBA offers the accessibility of a small firm with the reach and resources of a larger practice. Our clients benefit from experienced leadership, regional insight, and the ability to act quickly when it matters most.

- Direct access to leadership throughout every project
- Small-firm responsiveness with large-firm capabilities

- Our team has extensive experience supporting communities after natural disasters, including work on FEMA-funded recovery projects. We understand the terminology, regulations, and documentation required to navigate efficiently.
- With offices in Louisiana and Texas and licensure across the South, we bring valuable knowledge of local codes, funding pathways, and permitting requirements.

PAST PERFORMANCE

- Walter B. Jacobs Memorial Nature Park, Shreveport, LA (**Civic**)
- Northwestern State University Health Performance Center, Natchitoches, LA (**Higher Ed/Sports**)
- Winn Community Health Center, Winnfield, LA (**Healthcare**)
- Louisiana Tech University - Center for Student Academic Success; Davison Athletic Complex; J.C. Love Field at Pat Patterson Park; Origin Bank Softball & Soccer Complex; Dr. Billy Bundrick Field; & Robert Mack Caruthers Field, Ruston, LA (**Higher Ed/Sports**)
- West Monroe Sports and Events, West Monroe, LA (**Sports**)

COMPANY DATA

Founded in 2004 in West Monroe, Louisiana, TBA is a full-service architectural firm delivering innovative commercial design solutions throughout the Southern United States. With offices in West Monroe and Bossier City, Louisiana, as well as San Antonio, Texas, TBA is well-positioned to serve clients across the region. Licensed in over 20 states—including Louisiana, Texas, Mississippi, Arkansas, and Tennessee—TBA has built a strong reputation for thoughtful, client-focused architecture. TBA was honored as the 2023 ASID Firm of the Year and has received other numerous awards recognizing its design excellence and project impact.
